

Kentucky Perinatal Quality Collaborative

KyPQC BULLETIN

The new KyPQC logo will be associated with the great work being done to improve outcomes for Kentucky's mothers and babies!

KyPQC Steering Committee

Former KDPH Commissioner, Dr. Angela Dearing, appointed 15 members, with representation from Medicaid, private insurers, KHA, AWHONN, MMRC, and birthing hospitals around the state, to serve as the Steering Committee for the KyPQC. This Steering Committee will first convene April 10, 2020.

KyPQC Webinar Series

During our next webinar, we will hear from the Tennessee Initiative for Perinatal Quality Care (TIPQC), a PQC that celebrates 11 years of success. To learn more about TIPQC click on the box below. The registration link for this webinar was emailed to the team.

KyPQC Next Steps

- The next Intake Phase for the AIM application is October 2020. KyPQC will apply for the "Obstetric Care for Women with Opioid Use Disorder" bundle.
- We are asking hospitals that have completed successful QI projects and are interested in being featured in the Webinar Series to contact the KyPQC Central Team.
- The KyPQC Fall 2020 Annual Meeting will be held in Lexington, KY. More details to follow.
