KyPQC Next Steps

- KyPQC is still accepting volunteers for the 2021 Fall Annual Meeting Planning Committee! We are specifically in need of content experts in the following fields: behavioral health, social services, and nutrition science. [Click here](#) if you are interested in participating.
- The official KyPQC website will be launching on August 6, 2021!
- KyPQC is excited to be onboarding pilot hospitals participating in first initiatives. We have made so much progress this year because of the dedication from our leadership team, workgroups, and members like you. **Thank you for your ongoing support!**
